'Best Softball Game of Year'---For A Good Cause---Set For August 30 In MP

"The best softball game played here this season" is promised when all-star teams of the A and B leagues meet in a benefit contest on the Nealon park diamond Tuesday night, Aug. 30, at 9 p.m.

The all-star game will be preceded by a match between the Burgess park girls' softball team and the Woodside Girls' club at 7:30 p.m.

"Both the A and B leagues had good seasons and played outstanding ball this year," said Coach Dave Schallenberger. "We're getting the outstanding players of all Menlo Park softball teams together, and the results promise to be worth the time of all baseball fans."

The game is being sponsored by the Menlo Park Lions club. Proceeds will go to that organization's youth fund. Co-chairmen are Al Giannotti of the Lions and Schallenberger of the recreation department.

Starting batteries will be Jim Ciardella for the A's and Joe Demeter for the B league team.

The girl's softball game will be the first played by the Burgess park team.

The girls' nine is being sponsored by Al Ferriera's Menlo Sport Shop. Team coach and manager is Schallenberger.

Members of the A league all-stars, managed by Louie Bellomi of J & A. Sales, are J. Ciardella, R. Stewart, Del Pozzo, C. Anderson, C. Maloney, J. Farrell, L. Bellomi, W. Ralston, R. Grill, D. Bettencourt, B.

Week's Building Permits $411,000 For MP Record

Menlo Park building continued to boom with permits issued for the record sum of $411,000 worth of new construction during the week ended Aug. 23, according to Building Inspector J. D. Steiger.

With only five more days left, August appeared to be one of the best months for construction in Menlo Park history.

The permits issued include those authorizing construction of the $107,000 Hillview elementary school at Santa Cruz and Elder avenues, a $90,000, 16-unit apartment house to be built at Laurel avenue and Noel drive, and 15 new homes.

The Eichler company also obtained permits to build 11 $15,000 houses in the 600, 700 and 800 blocks of Maple avenue and the 600 and 700 blocks of Lemon avenue.

Permits to build two $8000 homes were obtained by the M & K construction company. The new dwellings will be located at 1301 Carlton avenue and 1330 Hollyburne avenue.

Permits were issued to I. Johnson for a new $15,000 residence at 1020 Windsor drive and to Dr. Seymore B. Gray for an $18,000 home at 1315 San Mateo drive.

Ravenswood P-TA To Stress Value Of Grade Schools

"The Elementary School, the Hub of the Education Program" is the theme selected by the program committee for the Ravenswood P-TA 1949-50 activities.

Under chairman Mrs. Donald Walker, the committee decided to stress the part the elementary school plays in laying the foundation for higher education and business training.

It was decided to invite speakers from all levels of education, including child psychologists and college professors, to help carry out the theme, according to Mrs. Walker.

The musical part of the programs will be under the direction of Warren Bohn. Dramatic efforts are in charge of Leroy Stranskey. He will also do the art work on the annual program.

Mrs. Jack Denton, P-TA president; Mrs. Frank Carr, past program chairman; Joseph D'Anna, Ravenswood principal and Stanley Schnepple, Ravenswood district superintendent, met with Mrs. Walker, Bohn and Stranskey last Tuesday in the Ravenswood school.

Monthly programs will be turned over to the various chairmen of the executive board, it was decided. Mrs. Walker announced that she will call a meeting of these people to complete monthly plans.

Three From MP Attend NDGW Anniversary Meet

Members of the past presidents' association, Native Daughters of the Golden West, attended a 25th anniversary meeting of the association in San Jose Wednesday.

Menlo Park delegates were Mrs. Katherine Derry, Mrs. Florence Ohler and Mrs. Frances Maloney.

ABOUT TAX CUT

Big news!

Property taxes are down in Menlo Park. For the first time since 1944, the overall rate has been cut.

For a "breakdown" of figures and an explanation of how the reduction came about, read "Your City's Business" column by Mayor Charles P. Burgess on Page 2 of this issue.

Boy and Matches; Call For Firemen

Burned curtains and smoked walls were the result of experiments with matches conducted by Michael Goodson, 9, in a bedroom of his parents' home Sunday evening.

Menlo Park fire district firemen were called to the H. H. Goodson home, 655 14th avenue, North Fair Oaks, at 6:19 p.m., but the fire was out by the time they arrived.

Don't Do It!

U-TURNS TABOO

Don't do it, folks!

Don't make U-turns with your automobiles at El Camino Real and Santa Cruz avenue.

Police issued four citations for that offense in the week ended Tuesday, indicating some selective enforcement.

Acting Chief Frank "Bud" Roach said U-turns are permissible at other El Camino Real intersections, Santa Cruz being the only crossing that is posted against them. He also cautioned that U-turns on Santa Cruz between the highway and Merrill street will result in citations.

Hearing Set On Water Rate Boost

First hearing on application of the California Water Service company to raise rates in the Menlo Park, Atherton and Woodside areas will be held by the state public utilities commission at 10 a.m. Sept. 30 in city council chambers at civic center.

City Manager Cecil Longson said the Sept. 30 hearing will be a preliminary one at which interested parties may go on record for or against the proposal and that a final hearing would be held at a later date.

Longson said he and City Attorney James T. O'Keefe Jr. would appear at the first hearing to place the city government formally on record against an increase and that the city's complete case, including figures and other data to support its opposition, would be submitted at the final hearing.

Council To Study Rent Decontrol Request; Declines Quick Decision

The city council Tuesday night took under consideration a request by the Menlo Park fair rent committee to call a public hearing on permanent rent decontrol here, but declined to act immediately in a move proposed to avert possible temporary decontrol by federal authorities.

David Ingram Jr., committee chairman, submitted a formal petition asking a hearing and proposed that it be called for Sept. 13, date of the next regular meeting of the council.

However, council was reluctant to move that rapidly and resolved itself into a committee of the whole to consider the proposal after Mayor Charles P. Burgess said the "matter is of such importance the council should study it thoroughly before calling a hearing."

Meantime, a crew of the San Francisco regional office of the housing expediter neared completion of a rental property survey here and the official in charge, Ernest A. Woodward, said decontrol of unincorporated "fringe" areas would result should rent ceilings be lifted in Menlo Park itself.

Woodward said his crew of 10 field men are checking rental properties not only in Menlo Park but in unincorporated adjacent areas in line with a policy of the housing expediter.

"Decontrol action by the Menlo Park city council would apply only to the city itself," he explained. "But under federal regulations, the expediter must decontrol any contiguous area, either by recommendation of the local government or on his own initiative, where there is no distinct separation between incorporated and unincorporated boundaries. We have found there cannot be a controlled 'fringe' alongside a decontrolled area."

Woodward said his crew likely would finish its Menlo Park survey today or tomorrow, and that within a few days the data would be available if the city council, the fair rent committee or any public group desire it.

Woodward also said the survey is "as comprehensive as possible" and that all units in multiple dwellings are being checked individually to determine the total of such units and the number vacant.

He said that single family dwellings are being covered "street by street" and that efforts are being made to determine whether unoccupied homes are for sale or rent, if there are no signs present.

The fair rent committee petition submitted Tuesday night said the group believes decontrol here is justified at this time. It stated that as of Aug. 1, there were reported to the committee 269 rental housing units in Menlo Park, vacant or unoccupied. Thirty-four units were vacant and 32 were vacant and for sale, the petition said.

"This sample survey," the petition said, "indicates a vacancy ratio of 12.6 per cent of rental units. The committee respectfully submits that the aforementioned in itself represents a prima facie case for decontrol of rental units in Menlo Park."

Ingram said that complete information on the survey was being compiled in a 50-page report, to be submitted should a public hearing

What Your Council Did:

Complaints Of Speeding On ECR, Residential Streets Are Aired

Traffic violations . . . particularly speeding on residential streets and El Camino Real . . . came in for city council attention Tuesday night, with resultant instructions for some selective enforcement.

Harrison Johnston, 1835 Oakdell drive, complained of speed in excess of the posted 25-mile-an-hour limit on that street. He said a sign is posted for one direction, but "few drivers know it is there or observe the limit.

Councilman Wallace Brown proposed that a police prowl car cruise Oak Dell drive at intervals, then opened a general attack on speeding.

He named Middle avenue in particular and declared that "unless there is more enforcement there we are going to have some fatal accidents." He pointed out that Middle avenue becomes a "speedway" especially when residents of the outlying area are driving to and from work.

"On El Camino Real, traffic laws are being disregarded and there is speeding as high as 45 and 50 miles an hour in the business district," Brown asserted. "Greyhound bus drivers are some of the worst violators we have, and I have seen truck drivers doing 50.

"We tried hard enough to get a 25-mile-an-hour limit through the business district on El Camino Real. Let's keep it."

Mayor Charles P. Burgess directed the entire question to the attention of City Manager Cecil Longson for action.

* * *

In other actions Tuesday night, council:

1. Approved hiring of a number of street department laborers by Longson.

2. Set 8 p.m. Sept. 13 as time of a hearing on rezoning of a lot owned by Councilman and Mrs. Brown on University drive. The planning commission had recommended rezoning to permit construction of a medical office building.

Insurance Dividend Forms At Postoffice

Application blanks for dividends on national service life insurance will be available at the Menlo Park postoffice after Aug. 29.

The blanks, which are in the form of a postcard addressed to the veterans' administration, must be filled out by ex-servicemen seeking the special dividend.

New Proprietors Take Over Don's

Mr. and Mrs. Roy M. Nevins last Monday took over Don's at 1082 El Camino Real from the former owners, Mr. and Mrs. E. D. Harryman.

The Nevinses, formerly of Chowchilla, now live at 879 Roble Ave., Menlo Park. They and the Harrymans have been friends for 15 years since both lived in Madera, Calif.

The Harrymans report that they plan to stay on the Peninsula in another line of business.

Baron Misunderstood; He's Lonesome

Baron, it seems, has been a misunderstood dog right along. He's just lonesome.

In its infinite wisdom, the Menlo Park city council has decided that all Baron needs is a pal that speaks his own language to keep him from howling and thereby making himself an alleged public nuisance.

Chapter three in the case of the howling dog, with sound effects, was written at the council meeting Tuesday night, and all concerned hoped that "finis" also may have been inscribed.

A highpoint was a playback by David Ingram Jr., 1040 Almanor, of a tape recording of howls credited . . . or charged . . . to Baron, owned by Mr. and Mrs. W. H. Hallmeyer, 1031 Berkley. The two families are neighbors.

Council listened with interest, but lost it rapidly when Ingram suggested he play his entire 30-minute masterpiece. After five minutes of Baron's operatic effort, council told Ingram to shut it off.

The rest of the hearing developed along the lines of a session some weeks ago, with a preponderance of witnesses from the audience speaking in defense of Baron.

Meantime, Baron, a handsome, coal-black Doberman, sat quietly in the audience with his master and mistress, ears perked up and behaving like the gentleman his loyal friends contend he is.

DUAL OPPORTUNITY OFFERED

The naval air station at Moffett field, continuing a successful event inaugurated last year, is currently presenting a charity carnival in the world's largest hangar that stands as a landmark near Bayshore a few miles south of Menlo Park. From 7 p.m. to midnight tonight and from 1 p.m. to midnight tomorrow, the station is opening its main gate to the public.

The event is conducted along gay carnival lines, with booths, concessions, music, prizes and varied entertainment. Admission is free, and all sums spent at the carnival go into a common fund that is allocated among recognized charities. Last year, generous contributions were made possible by public response.

Both military and civilian personnel at the station have worked long and hard to make this year's presentation as successful as last year's. Many of the navy people and civil service workers at Moffett reside in Menlo Park and this area, and the station is an important part of the economic life of this section.

Public opening of Moffett field is a rare event; security regulations necessarily are stringent.

Today and tomorrow offer an excellent opportunity not only to have fun and aid deserving charities, but to visit one of this nation's great military establishments.

THE HOUSING PICTURE

The housing shortage in San Mateo county and the rest of the Bay area can become history before long if the record of construction in the first half of this year continues, reports the research staff of the Bay Area Council. In the nine-county area, the ratio of new single-family dwellings to new families in the area was nearly 2 to 1 . . . 1.8, to be exact.

The figure does not include nearly 1000 multiple-family dwellings completed in the same six-month period. The total of single-family units built was but 6 per cent less than the record construction by private industry in the first half of last year.

In San Mateo county, the ratio of new dwellings to new families was 2.1, fourth highest among the nine counties.

The council's findings indicate some hope for an end of an unpleasant situation in the not too-distant future, although there seem to be a couple of other factors: Cost of new homes and the preponderance of new construction for sale rather than for rent. The family unable to purchase a dwelling too often finds nothing available for rent, even though it might afford a sizable rental figure for a new structure not under rent control.

All the new construction that industry can achieve won't end the shortage under those conditions.

Our reporter who covers the city recreation department tells us that a swimming meet Sunday at the Menlo Circus club will include an event for four-year-olds. This precocious generation! Could it be that those of such tender years soon will be demanding beefsteaks rare instead of crispy-crunchy-crackly-chewies?

Tax Rate Cut First Time Since 1944

By MAYOR CHAS. P. BURGESS

Residents of Menlo Park have a rare treat in store for them this coming year; for the first time since 1944 the total tax rate has been cut! For although the city tax rate held about constant over the last five years, county, school and special district taxes doubled during the period. This year, however, only the Menlo Park fire district and the Sequoia high school bond rates increased by a significant amount. Sharp reductions occurred in the rates for San Mateo county and the Menlo Park elementary school district.

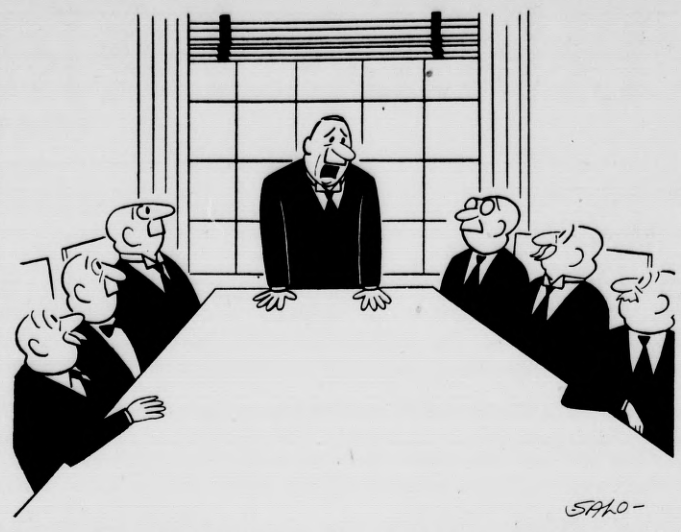

The tax rates for the city and for the hospital district were down moderately. Other rates were about the same. That part of Menlo Park in the Ravenswood school district, however, found the increase in the Ravenswood school district and Menlo Park fire district rates largely offsetting the decrease in the county rate. For several months these residents of our city have enjoyed lower gas and electric rates which more than offset city taxes.

In about three-quarters of the city the tax rate will be $7.296 per $100 compared with $8.279 last year, a drop of almost 12 per cent. In the principal portion of our Ravenswood annexation, the rate is $8.206, and in most of the balance $8.426. Excluding the city tax the rates are respectively $7.026 and $7.246. Last year the rates in these areas ran between $7.1865 and $7.356. The city tax of $1.18 is reduced in these areas this year by elimination of the Ravenswood lighting tax of $.325 and the Menlo Park lighting district tax of $.226, as the city pays the cost of street lighting.

The tax rates of the various taxing bodies are as follows this year. The City of Menlo Park rate is $1.18, down 5½ per cent from last year, and down 6 per cent from 1944-45. The San Mateo county rate is $1.81, down 20 per cent from last year, but up 58 per cent over 1944-45. The Menlo Park school district rate is $1.48, down 29 per cent from last year, but up 227 per cent over 1944-45. The Sequoia high school rate is $1.28, up 9½ per cent over last year, and up 78 per cent over 1944-45. The Menlo Park fire district rate is 82 cents, up 7 per cent over last year, and up 83 per cent over 1944-45. The Menlo Park sanitary district rate is 25 cents, unchanged from last year and up 163 per cent over 1944-45. Sequoia hospital district rate is 24 cents, down 11 per cent from last year.

There was no hospital tax in 1944-45. A surprise newcomer among the taxes we pay is the San Mateo county harbor district with six-tenths of one cent. This district was recently revived and has not heretofore levied a tax for many years. Other tax rates levied are junior college tuition, county library and mosquito abatement with a total of 23 cents. This is unchanged from last year, and up 141 per cent over 1944-45. The total of $7.296 is, as pointed out about, down 12 per cent from last year, but up 73 per cent over 1944-45.

The City of Menlo Park is very proud that its tax rate this year is 6 per cent under the rate in 1944-45 (including the lighting district in that year, of course, for its function was subsequently taken over by the city) while the rates for other taxing jurisdictions have all increased greatly in the interim. Yet the City has meanwhile improved its services, issued bonds for the purchase of our 28-acre recreation and civic center, and established a retirement system for city employees.

"It appears, gentlemen, that we'll have to adopt our competitor's tactics, and turn out a reliable product"

Confusion Over Parked Vehicles Is Cleared In New Act Governing Mishaps

(Editor's Note—This is the third and last in a series of articles on the financial responsibility law as revised by the 1949 legislature).

SACRAMENTO—One of the most confusing sections of the 1948 financial responsibility law, so far as the department of motor vehicles was concerned, dealt with "stopped, standing or parked" motor vehicles.

Under terms of the 1948 statute, the operator of a motor vehicle which was stopped, standing or parked in compliance with the law was entitled to exemption from the requirement of security if involved in a reportable accident.

Many drivers contended they were completely stopped at the time of an accident whereas other parties to the mishap contended the car in question was moving.

In determining whether a vehicle was "stopped" or "standing" the department frequently was placed in the position of deciding liability for an accident, a function which the financial responsibility law did not contemplate.

To elminate this difficulty the section was rewritten to provide that exemption under the security deposit provisions of the law could be established by filing evidence with the department that the vehicle was parked legally at the time of the accidnt.

Virtually all other amendments effected by SB 1177 were of a technical nature designed to assist the department in its administration of the act.

Two other bills—AB 801 and AB 802—affecting the financial responsibility law, also were enacted during the 1949 session and became effective upon signature.

Assembly bill 801 provided for new procedures governing distribution of security.

It amended the former law to provide that security shall be deposited with the state treasurer instead of the state controller.

The security is held available for payment of final judgments rendered against drivers on whose behalf half the deposits were made or for the payment of any settlement agreed upon. Actions at law must be started not later than one year after the date of the accident or of deposit of security for the security to be made available.

Distribution of funds from the security deposit is subject to limits of the department's evaluation on behalf of a claimant but must not exceed the limits established by the act. These are $5,000 for the death or bodily injury of one person in any one accident, $10,000 for the deaths or bodily injury of two or more persons, and $1,000 for property damage.

Assembly bill 802 which was enacted early in the session, provided that a driver's written report that he was covered by insurance was considered valid unless denied by his insurance carrier.

This eliminated much unnecessary correspondence for the department and relieved insurance companies of providing the department with prompt verifications on all claims of insurance coverage.

Veterans' Guide

Disability May Mean Eligibility For Care At Home

Disabled veterans in San Mateo county may be eligible for admission to the Veterans Home of California for hospital or domiciliary care, but they are urged to consult Floyd D. Granger, veterans service officer, before making application.

Granger pointed out that while the Veterans Home is now expanding its capacity to take care of increased numbers of aged and disabled veterans of all wars, it still maintains a substantial waiting list.

Application forms and information about the home, which is located in Napa county, are available at the veterans service office in the courthouse, Redwood City. Veterans were emphatically advised not to travel to the home in the hope of qualifying for admission and without making prior arrangements.

In addition to the requirement that he must have been a bona fide resident of California for 10 years prior to date of application, a veteran must meet all the requirements for disability, etc., that would apply if he were seeking to enter a federal government institution of the same type.

At present the Veterans Home has approximately 1,300 members. Construction recently completed or nearing completion includes a new 200-bed convalescent barracks and a 100-bed addition to the hospital.

The home is maintained by the state, with some assistance from the federal government.

PERSPECTIVE OF NEW CHURCH—Above is an architect's drawing of the entire project proposed by the Menlo Park Presbyterian church, which plans to build new structures on Santa Cruz avenue at Johnson street. Plans were approved by the congregation at a meeting last week. While transactions for obtaining the new site and disposing of the present one on Santa Cruz are not complete, it is hoped to begin work this fall, said Cyril Bill, president of the church trustees. The plans shown above are subject to change in the case of the parking area in right background. Mr. Bill said the parking facilities are being given continued study in an effort to provide as much offstreet parking room as possible. Architect for the church is Leslie Nichols.

Players Guild In 'Claudia' Rehearsal

Only a few days after its final presentation of "The Little Foxes" at the Palo Alto Community theater festival, the Menlo Players Guild has begun work on its new production, "Claudia."

The popular play will be given at the Little theater in Burgess recreation park the nights of Sept. 16, 17, 23 and 24, under the direction of Asher B. Wilson Jr. of Menlo Park.

The case includes Charmaine Sheffer in the title role, Louis Saylor, Jane George, Thelma Schaefer, Kathleen Barker, Amber McMillan, Paul Schaefer and Earl Campbell.

The Guild will hold its monthly meeting tonight at 8:30 at the Encinal school, Middlefield road and Encinal avenue. After a business session, a one-act play will be presented under direction of Jean Olsen. The public is invited to the meeting and play.

Menlo Park Boy Scouts Named For Achievement

Ronald Durr and John Bugna of Boy Scout Troop 107, Menlo Park, have achieved the second class rank, according to San Mateo county Boy Scout headquarters.

David Sundquist and Robert Rake of the same troop have been awarded the reading and pathfinding, and the wood work merit badges, respectively.

David Lawrence of Menlo Park Troop 151 has passed the test for the painting merit badge.

When you call the family taxi, need a telephone for any reason, have you noticed one always seems handy?

"Come get us, daddy, the movie's over"

1. It doesn't just happen there's a public telephone not far away when you look for it. Locations have been carefully selected to make sure service is where it's needed most... in theatres, filling stations, drug stores, terminals. And special installations are often made to meet the needs of crowds—at conventions, fairs and the like. Today there are some 85,000 public telephones at work in the West.

2. More errands run, more jobs done, more time saved for you... telephone service has many duties. And public telephones make service still more valuable by putting all telephones, both residence and business, within convenient reach... no matter where you may be. More and more are going in, too... as we keep pushing our job of furnishing good, well-rounded telephone service to the West.

3. Good service for you comes from the big job of handling millions of calls every day. But the extras mean a lot, too—like putting telephone booths in handy places. They add up to keep your service one of today's best buys.

DEATHS

Fred E. Welch

Fred E. Welch, co-owner of Welch Construction company and resident of this area for 20 years, was laid to rest Saturday following his death at his home, 2330 Popular avenue, East Palo Alto.

Death came unexpectedly and was due to a heart disease.

Welch, who operated the construction company in partnership with his son, was a member of the B.P.O.E. and Pile Drivers local 34 AFL. He had lived at his present address for the past 10 years. He was a native of Colorado.

Surviving are his daughter, Mrs. Anita Dubarry of Oakland, and his son, E. M. Welch of San Carlos. Also surviving are step-children Irving Daggett of this city and Mrs. Albert Allen of San Carlos and his sisters, Mrs. Lucy Vosburgh of Oakland, Mrs. Sarah Stapleton of Fresno, Mrs. Nora Mehrwine of Santa Cruz and Mrs. Helen Johnson of Santa Cruz.

Funeral services were conducted from the Roller and Hapgood chapel in Palo Alto. Interment was at Alta Mesa memorial park.

Laura McCrary

Miss Laura McCrary, who resided at 128 Cornell road and lived in Menlo Park for the past six years, was laid to rest following her death last week.

Miss McCrary was a native of Missouri. Death followed a long period of ill health.

She is survived by two sisters and two brothers: Bess McCrary of this city, Mrs. A. D. Hunt of Lincoln, Mo., John C. McCrary of Menlo Park and Victory McCrary of Bolivar, Mo.

Rev. Guy Wimmer officiated at the funeral services, which were conducted from the Roller and Hapgood chapel in Palo Alto.

Mrs. Francis Boles

Funeral services were conducted Saturday for Mrs. Francis Boles, who died here late last week.

Mrs. Boles was 87 years old. She was living at the home of her daughter, Mrs. Grace Hedge, at 281 Arlington way. She was a native of Illinois.

Surviving are her children, Arthur F. Boles of Menlo Park, Walter G. Boles of Hollywood, and Mrs. Grace Hedge of this city. Grandchildren Arthur, Robert and John Boles, and Arden Hedge, M. D., also survive.

Services were conducted from White Oaks chapel in Redwood City. Interment was at Alta Mesa memorial park.

Mrs. Ruby Hatch

Funeral services were conducted Monday for Mrs. Ruby Elizabeth Hatch, wife of County Supervisor Alvin S. Hatch and member of a pioneer San Mateo county family.

Mrs. Hatch suffered a stroke while attending races at Tanforan Friday. She was taken to South San Francisco hospital following her collapse, and died early Saturday.

She was 67. Surviving are her husband,, a son, Harvey R. Hatch, and two grandchildren, Penny and Gary Hatch, all of Half Moon Bay.

Mrs. Hatch was born in Redwood City on Feb. 7, 1882. She married Hatch in 1908, and since that time the family has resided in Half Moon Bay.

Top performers from five bay area swimming teams, including the Burgess park swim club and the Menlo Circus club, will compete by telephone with stars from seven New England clubs Sunday.

The bay area swimmers will assemble at the Menlo Circus club pool and the New England team will meet at the Stamford Yacht club pool in Stamford, Conn. An open telephone circuit will be maintained throughout the match so events can be started at the same time at both pools. Because of the time differential, the local swimmers will meet at 11 a.m. Pacific standard time while the Connecticut team will swim at 3 p.m. eastern daylight saving time.

The match will include a free-style racing event for children four years old.

The team which will meet at the Circus club for the long distance match is made up of natators from the Burgess park memorial pool swim club, Menlo Circus club, Peninsula Golf and Country club, San Carlos swimming club and South Shore swimming club of Alameda.

Lucille Roe Of MP Becomes Bride Of Thomas Woods At Nativity Church

Church of the Nativity was the setting last Sunday afternoon at half past two, for the wedding of Lucille Roe and Thomas Woods.

The bride is the daughter of Mr. and Mrs. James Roe of 1260 Middle avenue. She was graduated from Sequoia high school and University of California.

The bridegroom is the son of Mr. and Mrs. Thomas Woods of San Francisco. He was graduated from U. C. and spent almost four years in the army air corps with the rank of captain.

Escorted by her father, the bride stood before the high altar which was decorated in all white flowers. Urns of Gladioli were placed on each side of the chancel, backed by tall candelabra. The Rev. Thomas McKeon performed the marriage service.

The bride's dress of white slipper satin, was fashioned on empire lines with heart shaped neck and long train and sleeves. She wore a fingertip veil with a coronet headdress of orange blossoms. Her bouquet was a cascade of white orchids and bouvardia tied with white satin ribbon. Her only jewelry was a pearl necklace.

Gloria Tommasini of San Francisco was maid of honor and the bridesmaids were Mrs. Donald Kreps of Menlo Park and Kathleen Horn of Belmont.

All attendants were gowned alike in ice blue silk crepe dresses, made with fitted bodices, cap sleeves, and skirts with accent on front drapery. They carried bouquets of blue delphinium and wore coronets of the same flowers in their hair.

The bridegroom's brother, Frank Woods, served as best man and the ushers were Robert Markey and Stanley Bernhardt of San Francisco.

Mrs. Roe chose for her daughter's wedding, a two piece dress of taupe crepe. Her hat was beige and she wore a tiger orchid corsage.

Mrs. Woods' gown was a rose silk one piece dress. Her hat was black and she wore a corsage of orchids.

A reception for 150 guests followed at Palo Alto Community Center.

The young couple will spend their honeymoon on a motor trip to northern California, stopping at points of interest en route.

They will live in San Francisco, where the bridegroom is in business.

Ravenswood Doings

Correspondent:
Mrs. Don Walker
DA 2-3355

Danced an extra round for the large crowd that gathered for the benefit of **Mrs. Joe Speciale** and family last Saturday night. The floor got so crowded I took to ducking under arms. The program was excellent—**M. C. Joe Dimock** and **Dave McElhatton** were more than pleased. The Legion auxiliary did right well with their sandwiches, soda pop and coffee, too.

Summer vacations in Ravenswood have been far and wide, are past, present and in the future. Here are a few we've checked:

Mr. and **Mrs. William Postlewaite** vacationed first in Los Angeles, and upon their return from the south by-passed home and spent two weeks at Scott's Ranch in Trinity County, sliding down hay mows, milking cows and such.

Mrs. Clarence Gomes and children returned this past week from a vacation at Blue Lake near Ukiah—left daddy to shift for himself.

A young man who is six and will soon begin his studies in the first grade is **Lawrence Snow,** who has been summering at the beach home of his grandparents, **Mr.** and **Mrs. W. J. Hensen** of Long Beach. There he learned to swim, played in the sand and went boating. His mommie and daddy, **Mr. and Mrs. Kenneth Snow,** stayed home, working in their garden, building a barbecue and entertaining their many friends who sometimes brought along that big old steak.

Just off to Pinecrest are **Clarence Pfeffer** and **Kenneth La Forge** in Clarence's new car for a two week stay. The **Walter Pfeffers** spent their vacation in Richardson State Park on the Redwood Highway.

Tahoe, with a side trip to Reno, engaged the **George Davis** family this past week. The two children, **George** and **Gaile** enjoyed the water sports.

A Silver Lake vacation it was for the **Fred Kings, Joyce** and **Rickie.**

Though the summer is sort of routine for **Mr.** and **Mrs. Norman McIntyre** and their two small children, their oldest son is having quite a time for himself. The whole family began the summer by a two week vacation in Seattle. Then Mrs. McIntyre's mother, **Mrs. Ralph Combs,** came out from Kansas City, Missouri and picked up "Skip" and flew him back to Glenwood, Minn., for a lakeside resort vacation with his grandfather, **Dr. Ralph Combs.** On his way he will stop in Texas for a wedding of a cousin and will fly back home just in time for school on Sept. 12.

Just completed is a visit of the **Walter Huffman** family, **Walt, Eileen,** and their three children, **Don, Donna** and **Russell** with the **Raymond C. Olsen's** of Altadena. Heat and smog was intermingled with fun, they report.

On Sept. 8 **Barbara Long** will appear at the California state fair in Sacramento in a dance number with the Beaudoin dance studio. Preceding this engagement, she will go with her family to Yosemite. They plan to begin their trip on Monday, Aug. 29.

Short visits to see relatives at Lakeport, Santa Cruz and Walnut Creek, a day at Girl Scout Camp at Sky Meadows and Saturday matinees at the Curran theatre in San Francisco for the Light Opera season have filled the summer days for **Mr.** and **Mrs. William Groshart** and their two children, **Lois Diane** and **Donald.**

Just learned that our very good Cub friends, the **Lewis Groffs,** are now living in Belle Plaine, Iowa, where Mr. Groff is in the grocery business with his brother-in-law.

A house guest for the winter who is arriving today is **Mrs. Lola M. Reineman,** who will visit her son-in-law and daughter, **Mr. and Mrs. John Gillis** and their two sons. Mrs. Reineman has been spending the past year visiting her children.

Other guests the Gillis's have had this summer are **W. A. Reineman** of Denver, Colo., and **Mr.** and **Mrs. C. V. Baker** and **Jack** of Yakima, Wash.

Mrs. Hollie Koch and daughter **Nancy** spent the past weekend in Los Angeles.

Mr. and **Mrs. Walter Abel** and their daughter, **Carol,** had as their houseguests **Mrs. Gertrude Bromley, Ray** and **Jimmie** from Chicago, for three weeks in July. All of them then packed off to Yosemite for an exciting vacation.

PRO-AMERICA SETS ANNIVERSARY PARTY

The fourteenth anniversary of Pro-America activity in San Mateo county will be observed with a garden party and fashion show Sept. 13 at the estate of Mrs. Irving E. Kesterson in Atherton.

Mrs. William Trippe II of Menlo Park will be commentator at the gathering, tickets for which are available to the public.

Mrs. Kenneth Baxter of Atherton and Mrs. A. D. McLellan of San Mateo are chairmen of the committee on tea arrangements and Mrs. Claude Rolfe, Atherton, is in charge of the fashion showing.

Members of the ticket committee include Mrs. Kesterson, Mrs. Hugh Stewart and Mrs. E. J. Conn of Atherton.

The Constitution day observance marks the 16th anniversary of the founding of Pro-America.

BARBECUE AND SHOWER HONOR GUEST FROM SF

A barbecue was combined with a stork shower in honor of Mrs. James Deignan of San Francisco last Saturday afternoon at the Menlo Park home of Mr. and Mrs. Homer L. Tietzen, 3727 Alameda de las Pulgas. Mrs. Deignan is the former Frances Marron.

Guests bearing gifts came from Menlo Park, Mountain View and and several other Bay area cities.

Features of the afternoon were steaks barbecued by Michael McGoo and refreshments prepared by Ben Crosby.

Musical entertainment was provided by Mr. and Mrs. Roy Meyers of Redwood City, Ben Crosby, Hortense Corrigan, Carolyn Drady and Georgia Dupper.

PATRICIA PETTIS ENGAGEMENT TOLD

Announcement of the engagement of Patricia Pettis, San Mateo, to Richard David Miller of Menlo Park was made this week.

Miller is the son of Mrs. Catherine Miller and the late C. Arthur Miller of 1540 Middle avenue.

The bride-elect is the daughter of Mrs. Alice H. Pettis. She attended San Francisco schools and is at present employed in San Mateo.

Miller is a graduate of Duke university, where he was a member of Phi Alpha Theta fraternity. He holds a master's degree in public administration from Stanford and has been employed for the past year as administrative assistant to the city manager of Redwood City.

SULLIVANS GODPARENTS AT CHRISTENING

Mr. and Mrs. John A. Sullivan of 1275 Crane street, Menlo Park, were godparents at the christening last Sunday of the new daughter of Mr. and Mrs. Lydon Hanley of Palo Alto.

The infant, named Deborah Marie, was baptized at St. Thomas Aquinas church in Palo Alto.

A reception followed at the Hanley residence on University avenue.

Mrs. Surber Attends OES Meeting In SF

Mrs. Florence Surber attended a special meeting of Eastern Star delegates in San Francisco Wednesday and Thursday.

Margaret Cattaneo Is Married To Verruccio Paracchini In MP

Margaret Cattaneo wore a white slipper satin gown when she became the bride of Verruccio Paracchini at half past four last Sunday afternoon at Church of the Nativity. The Rev. John Kilcoyne, a long time friend of the Cattaneo family, performed the ceremony.

Margaret is the daughter of Mr. and Mrs. Antonio Cattaneo of Pine street.

The bridegroom's parents live in Italy, so his sister, Mrs. Maria Gazzo of San Francisco, represented the family at the wedding.

The altar was decorated in all white; gladioli and white stock. Tall baskets of gladioli were placed on each side of the altar.

The bride, who was given in marriage by her father, wore a wedding gown made with a fitted bodice, long flared skirt with a court train. The dress had long sleeves coming to a point over the hands and a heart-shaped neckline outlined in seed pearls.

Her fingtertip veil was edged with lace and was fastened to a tiarra, a solid embroidery of seed pearls. She carried a colonial bouquet or white orchids and bouvardia, tied with satin ribbon.

Mrs. Charles Cattaneo, the bride's sister-in-law, was matron of honor.

The bridesmaids were the bride's cousin, Mary Cattaneo of San Francisco and Lorraine Baxter, of San Mateo, a niece of the bridegroom. Marie King of Palo Alto was flower girl.

All attendants were gowned alike in pale blue taffeta, fashioned with fitted bodices, full flared bustle back skirts and Peter Pan necklines. They carried cascade bouquets of carnations. The matron of honor carried dark rose carnations and the two maids of honor had pale pink in the same flower. The little flower girl carried a miniature copy of the maid's bouquet.

Mario Gazzo, the bridegroom's brother-in-law, served as best man. Charles Cattaneo and Robert Baxter were ushers.

Mrs. Cattaneo, the bride's mother, wore a one piece, pale green print dress. Her hat was black and her corsage a purple orchid.

The bridegroom's sister wore a black ensemble with orchid corsage.

An organ concert of sacred music preceded the wedding, during which Mrs. Barbara Blanchard Bush sang several solos.

A reception at the Italian-American Club followed the wedding.

The newlyweds will spend their honeymoon at Carmel

BRIDAL SHOWER GIVEN CHRISTINE IRELAND BY EPA HOSTESSES

Christine Yvonne Ireland, who is to become the bride of William Guver tomorrow noon at the First Presbyterian church in Palo Alto, was the recipient of a surprise miscellaneous shower last Tuesday night.

Hostesses were Mrs. Gordon Haworth and Mrs. Clarence Gomes, at the Gomes home on Bell Street.

Games were played and gifts were opened. Then the guests entered a parasoled dining room with a flower-bedecked table. Tiny pink and white parasols hung from the chandelier, while pink and white stocks and white candles flanked the sweetheart cakes with the young couple's names upon them. Ribbon sandwiches, coffee and tea completed the repast.

Those sharing in the evening were Mrs. Carl Arthofer, Miss Helen Fisher, Miss Laura Gomes, Mrs. Mary Games, Mrs. Nancy Ireland, mother of the bride; Mrs. Fred Buckland, Mrs. Frank Cunha, Mrs. Joseph Anrade, Mrs. Manuel Santos, Mrs. Edmund Cruze, Mrs. Beatrice Aillery, Mrs. Herbert Graham, Miss Rhoda Graham and Mrs. Joseph Reginato.

The Peninsula Partylines, a social group of young married couples, will hold an outing Saturday, Aug. 27, at Adobe Creek lodge. Activities will begin with swimming and sports in the afternoon, followed by a steak barbecue and dancing in the evening.

Some 90 couples are expected to attend.

Mr. and Mrs. Douglas Guy of Menlo Park are members of the arrangements committee. Secretary of the organization is Mrs. John Broughton, also of Menlo Park.

CLARICE EILEEN ROWE TO WED ROY JONES AT STANFORD CHAPEL

Stanford Memorial chapel will be the scene of the marriage of Clarice Eileen Rowe and Ray William Jones this Sunday afternoon.

The bride, who is the daughter of Mr. and Mrs. A. A. Rowe of 150 Baywood avenue, will carry a corsage of carnations and stephanotis. She will be given in marriage by her father.

Maid of honor will be the bride's sister, Marjorie Jean Rowe, who will be attired in a pink orchid gown and carry carnations. Bridesmaids Donna Jean Weiler, Frances Sherwood, and Elizabeth Kilgallin will wear pale green gowns for the ceremony, and will also bear carnation bouquets.

Mrs. Rowe, mother of the bride, has chosen a grey suit for the ceremony.

Best man will be Merle Blanchard of Gilroy. Ushers will be Jess Oevrstreet of this city and Richard Savage and Roy Schroyer of Palo Alto.

A reception at the Marie Antoinette hotel will follow the ceremony.

A sincere welcome is accorded everyone to all services.

The new building of the First Baptist church has allowed the introduction of departmental organization in Bible school activities. Facilities have been provided for dividing the school into three age groups for the worship and assembly period at 9:45 a.m. each Sunday, which is followed by Bible study in 14 classes, each meeting in its own room.

The school superintendent, E. W. Carlson, reports a total enrollment of more than 150, with an average attendance of 100 in July. There are study classes for all ages, with the young married couples class having the largest attendance, averaging 25.

One of the most popular places in the church for young people's gatherings is the garden patio. Many fireside meetings are being planned there.

The pastor, who has been teaching at a young people's conference at Mt. Hermon the past week, has announced the following sermon topics for Sunday: 11 a.m., "The Great Search;" 7:30 p.m., "The Sure Salvation."

Strength in Faith

Great crises in the lives of men call for strength of mind and soul which no earthly power can give. When his own efforts and resources fail, man's help must come from God.

This troubled woman has learned the secret of faith and is putting her case in the hands of God. There she will find strength and comfort sufficient to her needs and will see clearly through the shadows that surround her.

Faith is a key that will unlock most of our human problems and resolve most of our difficulties—if we will only develop it. It is a light in human darkness, comfort in man's distress, strength in his weakness, and hope in his despair.

People should know more about the power of faith and the wonders it can work in human life. The story is written in the Bible, embodied in the teachings of the Church, and graved upon the hearts of believers.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

County Tax Rate Slashed 45 Cents

The San Mateo county board of supervisors this week set $1.81 per $100 assesed valuation as the basic tax rate for the 1949-50 fiscal year.

The supervisors also approved tax rates for the county's school districts.

The $1.81 tax rate is 45 cents less than last year's and is the lowest basic rate set by the board in the past three years.

Towns other than San Mateo, Burlingame, and Redwood City will have to pay six cents above the rate to maintain the county free library.

The tax on assessed valuation is planned to raise $3,538,178 of the $11,323,973.95 total budget. The remainder of the money will come from state and federal funds and from last year's surplus, according to county Controller Fred Beer.

Public spending in San Mateo county will total $27,317,346. This amount includes school districts and special assessment districts, but does not include the money spent by cities within the county.

Education will cost $12,847,607, of which $5,512,768 will be raised by local taxation. Subsidies and surpluses will provide the remainder.

Are you a keen judge of people?

Which are the largest P. G. and E. stockholders?

Here are a housewife, a president of a corporation, a clerk, a manufacturer, flagmaker, wrestler and a teacher. Each one owns stock in P. G. and E. Who owns the most?

How did *you* choose? Well, here are the facts: Housewives own the most. Teachers are next; then laborers, then manufacturers. And you probably didn't guess that the wrestler owns almost as much as the corporation president.

The figures are from a study of 4300 people who invested their savings in one particular P. G. and E. stock some years ago. They are typical and illustrative rather than actual. They show that in the final analysis—all are "Capitalists"!

No *one* individual owns as much as 1% of P. G. and E. stock. Actually, we're owned by the 154,300 stockholders who've invested their savings in our company.

These invested savings, plus sound management, have enabled P. G. and E. to provide gas and electricity at rates among the lowest in the nation.

FOR THE RECORD

P. G. and E. stock is among the most widely held in the U. S. This is an example of why "Big Business" is *everybody's* business—teamwork between the public, management and employees.

Work never stops on our power building program.

Arrangements Told For MP Day At Sacramento Fair

Details of "Menlo Park day" at the state fair in Sacramento Sept. 8 were announced yesterday by President Wallace E. Ott of the Menlo Park Lions club, sponsor of the event. A special excursion will be a feature.

As part of "Menlo Park day," about 35 children of this area were chosen at auditions here several weeks ago to perform at a "Candyland Revue" at the fair Sept. 8.

Chartered buses for all persons wishing to take advantage of the excursion will leave El Camino Real and Santa Cruz avenue at about 7 a.m. Sept. 8. Tickets will be good for round trips to the fair, including admission into the grounds, where the buses will remain during the day.

Fares are $3.75 for children 12 or under, and 4.25 for those over 12 and adults.

Ticket sales will end on Sept. 1, in order that the Lions club can ascertain how much bus space will be required. All buses must be filled and refunds will be made in case enough tickets are not purchased to assure filled buses.

Tickets are on sale at the Avenue Food Market, 709 Santa Cruz avenue; Smith-Nichols, 1029 El Camino Real; Menlo Hardware, El Camino Real and Santa Cruz; Park theater and the Food City Market, Mountain View.

Ott said that the "Junior Geniuses" chosen at the audition may travel to Sacramento by other means than the chartered buses bust must report to the outdoor theater at the fairgrounds by 10:30 a.m. Sept. 8 in order to take part in the program.

be held, in support of the decontrol move.

Mayor Burgess then named the council as a committee of the whole, with Councilman Edward Church as chairman, to make a "thorough study" of the request.

"This is not a refusal to call a hearing, but a study?" asked Church.

"Yes," the mayor replied.

Ingram then asked that the committee of the whole make its report 10 days in advance of the Sept. 13 council meeting. Church objected and asked what would be accomplished.

"There is the time element," Ingram replied. "We are faced by possible temporary decontrol by the office of the housing expediter, which can restore controls if it sees fit. Decontrol by local government under the federal statute and procedure of the League of California Cities would be permanent. If the expediter should act before the council does, decontrol could be only temporary, which we do not want."

"Then you ask for a hearing at the next council meeting?" Church asked.

Ingram replied that he did.

Mayor Burgess pointed out, however, that another meeting of the council would be required to call a hearing and set its date, and the petition then was scheduled for study by the committee of the whole.

HOWLING DOG

(Continued from Page 1)

The Hallmeyers' attorney, Melvin Cohn, introduced half a dozen neighbors who stated they weren't annoyed by Baron, then walked the animal up to the council rostrum and formally presented him to the city fathers.

Three members of the audience spoke in support of Ingram's claim of a public nuisance.

The upshot was that Hallmeyer agreed to obtain another dog to keep Baron company, since the concensus was that Baron's solos are given mostly in the daytime when Mr. and Mrs. Hallmeyer are in San Francisco.

Hallmeyer objected to "paying $250" for another Doberman of Baron's proud lineage, but Councilman Wallace Brown replied:

"You can get a dog for three bucks at the pound; that's where I get my champions."

Mayor Charles P. Burgess said he didn't think a "dog of equal breeding" would be required as a companion.

Councilman Edward Church introduced a motion declaring Baron a public nuisance and directing abatement, and said he wanted the matter disposed of without further palaver.

But other councilmen questioned if Baron was actually a public nuisance within the meaning of the ordinance, and were hesitant to crack down on the dog.

Result was that council agreed to suspend action on the nuisance motion until next meeting in order to permit Hallmeyer to carry out his plan to provide Baron with a companion.

Ingram asked how it would be determined whether conditions had been met.

"Thats the council's responsibility," replied Mayor Burgess.

Ingram packed up his tape recorder, Baron trotted out with the Hallmeyers and one of the largest audiences at recent council meetings went home.

The main attraction was ended.

Van Epern Heads Carr Co. Service

Menlo Park Man Succeeds Doherty

On Sept. 1 James M. Doherty of the Walter W. Carr Chrysler Plymouth Co., 780 High St., Palo Alto, will turn over the duties of service manager to Arnold M. Van Epern of Menlo Park. Doherty's promotion to the sales department of the organization climaxes three years in the service department.

The change is a pleasing arrangement for all concerned as Doherty's and Van Epern's mutual friendship dates back more than a dozen years to the days when "Van" owned and operated the Toyon Garage in Menlo Park opposite the Southern Pacific Depot and Doherty owned the Associated Station at the corner of Oak Grove Avenue and El Camino Real, also in Menlo Park.

Both men belong to the Elks Lodge, Palo Alto Chapter, and both are charter members of the Menlo Park Lions Club. For the past five years Van Epern has been in the garage business with Van's Service at 602 El Camino Real.

Van Epern, his wife and their three daughters, Jane, Betsy and Diane, live at 1322 Crane St., Menlo Park. Doherty, his wife and their children, Jimmy, Patty and Michael, live at 1862 Stockbridge Ave., Atherton.

Doherty has been associated with the Walter W. Carr Co. since he left the Army in the spring of 1946. His son, Jim Jr., is also an employee of Carr organization.
